

The philosophy at When I Was a Kid is very simple, good quality toys matched with excellent customer service. If this is the sort of shop that you like to buy from then we want to hear from you. We are looking to grow our sales agents all over the country and we need people who think like us and place a value on making sure their children don't become computer game addicts!

If you have an outward personality and a cheerful nature then the rest is as they say 'child's play'

We can tailor a sales pack that suits both you and your budget, the Option 1 pack doesn't even require you to buy any stock – how simple is that? Shows, Craft Fairs, Festivals, School Events, Parties, Nurseries and Playgroups, and with the launch of our facebook agents, the list of opportunities really is endless, as is the fun you can have along the way.

If this sound's your cup of tea then why not give us a call to talk through the options. The sooner you call, the sooner you will start earning some money...
